Restriction of Hazardous Substances (RoHS)

This is in reference to the EU directive, "DIRECTIVE 2002/95/EC" on the restriction of the use of certain hazardous substances in electrical and electronic equipment. The use of mercury, cadmium, lead, hexavalent chromium, polybrominated (PBB) and polybrominated diphenyl ethers (PBDE) is banned in electrical and electronic products put on the market after July 1, 2006.

Axis Communications guarantees that the products

ETRAX FS (part number 24745)
