Axis Partner Summit 2017

Belgium & Luxembourg

Sessions

Session A – AXIS Companion Line

Hosted by Jeroen Dijkmans van Gunst

Make your introduction to the latest out-of-the-box solution for small businesses. This convenient system is easy to install and manage with the AXIS Companion App. Learn more about the technology and strategy and how to apply this for your customers.

Session B – AXIS Medium Business Solutions

Hosted by Fabian de Clippelaar

For installations up to 100 cameras, AXIS Camera Station is the perfect solution, combining professional video management and an array of possibilities from within the Axis brand.

Session C – Facial Recognition

Hosted by Jeroen Kouwenhoven

Learn more about this upcoming in-camera analytic tool to recognize, identify and analyze people.

(Session partners: Herta Security & Milestone Systems)
