About Axis

Axis increases the value of network solutions. The company is an innovative market leader in network video and print servers. Axis\' products and solutions are focused on applications such as security surveillance, remote monitoring and document management. The products are based on in-house developed chip technology, which is also sold to third parties.

Axis was founded in 1984 and is listed on the Nordic List, Mid Cap, Information Technology. Axis operates globally with offices in 17 countries and in cooperation with distributors and system integrators in 70 countries. Markets outside Sweden account for more than 95% of sales. Information about Axis can be found on www.axis.com.
