The things that can help you

AXIS 206/207 VANDAL-RESISTANT HOUSING

Stockist details: Contact: www.axis.co.za

Recommended retail price: R2376 incl VAT.

The Axis 206/207 vandal-resistant housing aims to provide a tamper-resistant solution for indoor security applications using Axis 206 and Axis 207 network cameras. It is a suitable solution for schools, institutions and government facilities. Made of cast aluminium, the housing has high impact resistance and temper-resistant screws, with side and top cable access ports. The surface-mount housing is designed for quick and simple installation.

AXIS 295 VIDEO SURVEILLANCE JOYSTICK

Stockist details: Contact: www.axis.co.za

Recommended retail price: R3980 incl VAT.

The Axis 295 video surveillance joystick is designed for applications developed for video surveillance systems. The sensitivity allows for fast, flexible and secure operation with Axis network cameras with pan, tilt and zoom functionality. The Axis 295 has a three-axis Hall-effect joystick, 12 programmable push-buttons and USB interface. It is designed to integrate seamlessly with any video surveillance software platform. It is easy to install, just connect the joystick to the USB port on your computer and control the cameras.

PHILLIPS PRONTO TOUCHSCREEN REMOTE CONTROL

Stockist details: Contact: www.tradeoff.co.za

Recommended retail price: R300 incl VAT.

The Phillips Pronto touchscreen remote control provides homeowners with a personalised control solution. The owner of the house is the only person who knows the codes of his single or multi-room home systems. The remote control is easy to program. Even the most complex installations, such as multi-room configurations or concealed equipment, are easily accommodated.
