• Discontinuation date

September 30, 2027

Discontinuation date is the planned final date that the products can be ordered from Axis.

Maintenance offered until

September 30, 2027

Axis supports the software product up until 3 years after issued discontinuation date. **Clarification** - The original discontinuation notice was issued September 27, 2024. The final date for maintenance is **September 30, 2027**

During this period Axis may release replacement, maintenance releases or bug fixes to the discontinued product. When the period has elapsed, Axis will no longer develop, maintain, or test the discontinued product. For more information on software support please visit <u>General Policy Guidelines For</u> <u>Discontinued Products</u>

• Free upgrade for S Series recorders

AXIS S12, S11, S21 or S22 Series recorders

All licenses included with AXIS S Series network video recorders and all additional registered licenses will be converted to licenses tied to the recorder and will be valid for the lifetime of the recorder.

• Other hardware, free upgrade until

• March 1, 2026

All licenses installed on other hardware and virtual machines will be converted into 5-year subscription licenses without any additional cost until March 1, 2026.

Upgrade license

After March 1, 2026

All licenses installed on other hardware and virtual machines will after March 1, 2026 require an upgrade license to be converted into 5-year licenses.
