

Product Discontinuation Statement

This document outlines Axis products that will be discontinued and indicates the relevant replacement products.

The following products are covered by this statement:

Discontinued Product	Replacement Product
AXIS Companion Classic	AXIS Camera Station Edge

No additional feature development will be made for the discontinued product. The product will continue to be available for download from axis.com until the maintenance period ends.

Axis devices with AXIS OS version 8.40 or higher can be used directly with AXIS Camera Station Edge. Older devices will require an AXIS S30 recorder to act as a bridge device.

- **Discontinuation date**
 - **December 31, 2024**

Discontinuation date is the final date that the product will be part of development.

- **Maintenance offered until**
 - **December 31, 2027**

Axis supports the software product up until 3 years after its discontinuation date. During this period Axis may release replacement, maintenance releases or bug fixes to the discontinued product. When the period has elapsed, Axis will no longer develop, maintain, or test the discontinued product. For more information on software support please visit [General Policy Guidelines For Discontinued Products](#).
