Support and RMA Policy

Axis will continue to give world-class support and RMA service for the Discontinued Products until 5 years after the final order date, that is, **August 31, 2021**. As long as the product is within the warranty period, the RMA service is for free. If the warranty period has expired the Out Of Warranty price list applies.

Axis' RMA service will be based on the Discontinued Product as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.

No additional feature development will be made for the Discontinued Products, effective **August 31, 2016**.
