

Product Discontinuation Statement

This document outlines Axis products that have been discontinued or will be discontinued, and indicates the relevant replacement products.

The following products are covered by this statement:

- **AXIS Q6155-E**

Final Order Date

The **Final Date** that a Discontinued Product in the list below can be purchased from Axis is **August 31th, 2018**. Customers will be given the information of the product discontinuation starting June 1th, 2018. Please note that an unforeseen increase in demand can cause that the products are out of stock before the final order date.

Discontinued Products

Discontinued Product	Replacement Product
AXIS Q6155-E 50Hz [0933-xxx]	AXIS Q6155-E Mk II 50Hz [01501-xxx]
AXIS Q6155-E 60Hz [0934-xxx]	AXIS Q6155-E Mk II 60Hz [01502-xxx]

Reason for up-grade is component changes, sharper lens, higher zoom ratio (32x, former 30x), improved Laser focus that works perfect also in extreme low-light. Compatibilities, size and design is same. It is also using the same accessories.

Support and RMA Policy

Axis will continue to give world-class support and RMA service for the Discontinued Products until **September 1th, 2023**. As long as the product is within the warranty period, the RMA service is for free. If the warranty period has expired, the Out Of Warranty price list applies.

Axis RMA service will be based on the Discontinued Products as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.

No additional feature development will be made for the Discontinued Products, effective **June 1th, 2018**
