

## Product Discontinuation Statement

This document outlines Axis products that have been discontinued or will be discontinued, and indicates the relevant replacement products.

The following products are covered by this statement:

- AXIS P1204 Sensor Unit

### Final Order Date

The AXIS P1204 Sensor Unit is a spare part for AXIS P1204 which was discontinued December 30, 2016. Due to unforeseen increase in demand, the below discontinued product is out of stock and can no longer be ordered as of **September 7, 2018**.

### Discontinued Products

Discontinued Product	Replacement Product
AXIS P1204 SENSOR UNIT [5503-801	No replacement

### Support and RMA Policy

Axis will continue to give world-class support and RMA service for the Discontinued Products until **September 7, 2023**. As long as the product is within the warranty period, the RMA service is for free. If the warranty period has expired, the Out Of Warranty price list applies.

Axis RMA service will be based on the Discontinued Products as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.

No additional feature development will be made for the Discontinued Products, effective **September 7, 2018**.
