 Q6054 is a native HDTV 720 but this model also have D1 resolution for compatibility with Q6052.  
 External launch for AXIS Q6054-series is 29<sup>th</sup> of June 2018

## Support and RMA Policy

Axis will continue to give world-class support and RMA service for the Discontinued Products until **July 1th, 2023**. As long as the product is within the warranty period, the RMA service is for free. If the warranty period has expired, the Out Of Warranty price list applies.

Axis RMA service will be based on the Discontinued Products as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.

No additional feature development will be made for the Discontinued Products, effective **May 15, 2018**
