

Product Discontinuation Statement

The following product is covered by this statement:

Discontinued Product	Replacement Product
Canon Network Camera VB-S30VE [1387C001]	No successor

As of issuing this statement, stock replenishment for concerned products will be phased out. No additional feature development will be made for the discontinued product.

- **Discontinuation date**
 - **June 2nd, 2022**

The **forecasted final date** that the discontinued product can be purchased from Axis. Please note that no additional units will be possible to order.

N.B., products purchased *after* the discontinuation date might come with limitations in the HW warranty, please update yourself on the warranty applicable for any purchases *after* the discontinuation date.

- **Hardware and RMA service offered until**
 - **June 2nd, 2028**

Axis will continue to give hardware and RMA service for 6 years after the discontinuation date. As long as the product is within the warranty period and it is not warranty void, the warranty terms for RMA still apply. If the warranty period has expired, the Out of Warranty price list applies. Axis RMA service will be based on the discontinued product as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.
