Axis Experience Center – Irvine, CA

What is an Axis Experience Center?

A visit to an Axis Experience Center provides an opportunity to explore our high quality and innovative products in authentic environments. You will get the possibility to learn about our latest technologies and spend time with our dedicated team to exchange ideas.

You will also gain a better understanding of what it means to do business with Axis and our exclusive partner ecosystem. Collaborating closely with the industry's largest professional network, we create unlimited opportunities with video management software, analytics, and camera applications - many of which are displayed within our Axis Experience Centers.

The Axis Experience Center in Irvine features:

> Over 100 Axis cameras
> 28-person training room
> 12-person conference room
> 8-person engineering lab
> 6-person meeting space
> Dedicated areas for airport, banking, city surveillance, education, gaming, retail and transportation focuses
> Unique conversation areas for informal discussions
> Close proximity to John Wayne Airport for convenient travel

We invite you to experience our culture at any of our US-based Axis Experience Centers and stay one step ahead with us.
