### **Support and RMA Policy**

Axis will continue to give world-class support and RMA service for the Discontinued Product until September 1, 2021, which is always 5 years after the final order date. As long as the product is within the warranty period, the RMA service is for free. If the warranty period has expired the Out Of Warranty price list applies.

Axis RMA service will be based on the Discontinued Product as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.

No additional feature development will be made for the Discontinued Product, effective September 1st, 2016.
