

Product Discontinuation Statement

This document outlines Axis products that will be discontinued and indicates the relevant replacement products.

The following software product is covered by this statement:

Discontinued Product	Replacement Product
AXIS Queue Monitor E-License [01147-031]	AXIS Object Analytics - Occupancy in area

No additional feature development will be made for the discontinued product. Although not a queue management application, the "Occupancy in area" scenario within AXIS Object Analytics can better fulfill many of the use cases addressed by AXIS Queue Monitor.

- **Discontinuation date**
 - **November 30, 2023**

The discontinuation date is the **final date** that the discontinued product can be purchased from Axis.

- **Maintenance offered until**
 - **November 30, 2026**

Axis supports the software product up until 3 years after its discontinuation date. During this period Axis may release replacement, maintenance releases or bug fixes to the discontinued product. When the period has elapsed, Axis will no longer develop, maintain, or test the discontinued product. For more information on software support please visit <https://www.axis.com/general-policy-guidelines-for-discontinued-products>
