

Product Discontinuation Statement

This document outlines a Canon product that will be discontinued.

Discontinued Product	Replacement Product
Canon VB-S910F [1389C001]	No Canon replacement.

As of issuing this statement, stock replenishment for the concerned product will be phased out.

- **Discontinuation Date**
 - **February 28, 2025**

Discontinuation date is the planned final date that the product/s can be ordered from Axis.

Please note that an unforeseen increase in demand can cause products to be out of stock before the discontinuation date. Any excess stock after this date, can be available for purchase until stock runs out or by decision from product management.

Purchases shipped from Axis' Configurations and Logistics Center to the original purchaser after the discontinuation date might come with limitations in the HW warranty, please update yourself on the warranty applicable for any purchases after the discontinuation date at: [General Support Policy After Discontinuation Date](#)

- **End of Support**
 - **February 28, 2031**

Axis will continue to give hardware and RMA service for 6 years after the discontinuation date. As long as the product is within the warranty period and it is not warranty void, the warranty terms for RMA still apply. If the warranty period has expired, the Out of Warranty price list applies.
