

Welcome to Axis!

The world leader in network video
Vancouver, Canada

About Axis

Axis Communications was formally founded 1984 by Mikael Karlsson, Martin Gren and Keith Bloodworth. The year before, Martin Gren and Mikael Karlsson founded the company Gren & Karlsson Firmware. With Mikael's knowledge and understanding of International Business, Martin's technical expertise and Keith's skills in sales models they formed a complementary and dynamic combination. By the end of the 1980s Axis had established a position as one of the three world leaders in protocol converters/printer interfaces.

With the emergence of new technologies and the growing importance of network accessibility, Axis broadened its connectivity scope to include solutions for network printing and document management in wired and wireless environments. In response to the convergence towards IP-based systems, Axis also focused increasingly on applications for video surveillance, remote monitoring, and web broadcasting, and introduced the world's first network camera in 1996.

While Axis has come a long way since then, one thing hasn't changed – Axis' dedication to serving the market with a consistent succession of winning network video solutions that expand the users' potential. Today, Axis is the world leader in network video, focusing on a new wave of innovation, making advances in light sensitivity, dynamics, color reproduction and resolution in its network cameras. Beyond that, Axis is also successfully moving into new markets that Axis is calling the Internet of Things, such as access control, network horn speakers and IP Video Doorstations. Driven by the vision to come up with new, innovative, smart solutions that meet user needs, Axis will expand its portfolio to keep achieving that.

Contact us

Axis Communications, Inc.
2985 Virtual Way
Suite 280
Vancouver, BC V5M 4X3
Phone: +1 800 444 AXIS (2947)

Currency

The official currency in Canada is the Canadian Dollar (CAD). Cash machines are commonly available, and credit cards are accepted at more vendors, including shops, restaurants, taxis and parking garages.

Exchange rate as of November, 2022:
100 CAD is approximately €71.80 - \$74.62 USD - 778.67 SEK

Dialing in Canada

The country prefix for Canada is +1. Using your mobile phone to dial a Canadian number is done by dialing the Canadian number. Calling the Axis office is done by dialing 1-800-444-2947. Dialing internationally is done by typing the country code prior to number. Please remember that roaming charges apply, and even a short call may be very costly. For correct pricing and dialing information at the hotel, contact the front desk.

Directions to Axis

By Air

Vancouver International Airport (YVR)

The closest international airport is the Vancouver International Airport located in Richmond, British Columbia, which is approximately a 30 minute drive to the Axis office.

This airport serves most parts of the world with direct flights. More info can be found on: www.yvr.ca.

Our recommendation for travel to the office is to take a taxi or uber.

Taxi pick-up locations can be found here: www.yvr.ca/en/passengers/transportation/taxis

All taxis accept credit cards.

By Car

Our office building is located in the Broadway Tech Centre (building 2985). There is ample underground visitor parking on P2 & P3; the entrance is closest to the corner of Virtual Way & Nootka St.

Meeting rooms

As an Axis partner, you are invited to make use of our office facilities. Consisting of four state-of-the-art high-tech meeting rooms, reception area to greet guests and a separate kitchen with tea- and coffee-making facilities. Please contact your Regional Sales Manager or Inside Sales representative to book!

Choose the size of space required:

- > Kwikwetlem Command Centre – suitable for 4 people
- > Musqueam Training Room – suitable for 14 people
- > Squamish – suitable for 8 people
