

## Product Discontinuation Statement - Update

This document outlines Axis products that will be discontinued and indicates the relevant replacement products.

The following products are covered by this statement:

Discontinued Product	Replacement Product
AXIS T8007 PS24 [5503-108 / -112]	

As of issuing this statement, stock replenishment for concerned products will be phased out. No additional feature development will be made for the discontinued product.

AXIS T8007 PS24 **AR** (5503-108) and **BR** (5503-112) variants will continue to be discontinued with the original discontinuation date.

All other variants (**EU, UK, US, JP, CHINA, AU**) for AXIS T8007 PS24 are **NOT** discontinued and remain active products in the respective price lists. Some products might be subject to recertification and have alternative shipping dates.

- **Final order date/Discontinuation date**
  - **December 20<sup>th</sup>, 2020**

The **forecasted final date** that the discontinued product/s can be purchased from Axis, this is also referred to as the "discontinuation date".

Please note that an unforeseen increase in demand can cause products to be out of stock before the final order date.

Any excess stock, after passed last time buy date, will be available for purchase until stock runs out.

N.B., products purchased *after* the final order date might come with limitations in the HW warranty, please update yourself on the warranty applicable for any purchases *after* the final order date.

- **RMA Policy**

Axis' RMA service will be based on the Discontinued Products as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above. As long as the product is within the warranty period and it is not warranty void, the warranty terms for RMA still apply. If the warranty period has expired, the Out of Warranty price list applies.
