

PRODUCT SPECIFIC TERMS FOR AXIS SOFTWARE APPLICATIONS ON AXIS CAMERA APPLICATION PLATFORM

All Your use of Axis software applications on AXIS Camera Application Platform (hereinafter “Axis ACAP Applications”) will be governed by Axis End User License Agreement (available at <https://www.axis.com/legal/end-user-license-agreements>) and these Product Specific Terms for Axis ACAP Applications (these “**Terms**”), collectively referred to as the “**Agreement**”. These Terms shall prevail in case of any conflict with the Axis End User License Agreement. Any terms used and defined in the Axis End User License Agreement that are used in these Terms shall have the meaning ascribed to them in the Axis End User License Agreement.

IMPORTANT: By downloading, installing, activating, accessing or otherwise using the Axis ACAP Applications, You accept and agree to be bound by the terms and conditions of the Agreement. If You are accepting the Agreement on behalf of a company or other business entity, that entity will be deemed the Customer hereunder and You represent and warrant that You have authority to legally bind that entity to the Agreement. If You do not have such authority or You do not agree to the terms of the Agreement, neither You nor the entity is permitted to and may not download, install, activate, access, or use Axis ACAP Applications.

1. ABOUT AXIS ACAP APPLICATIONS

An Axis ACAP Application is intended to be installed on Axis Products to enable additional functionality.

2. LICENSE AND USE TERM

Any Axis ACAP Application that is free of charge and without a license key is licensed under the same conditions as the One-time Software License set out in the End User License Agreement section 3.2.2. The Use Term under this model is perpetual.

Any Axis ACAP Application that is distributed subject to a fee and/or with a license key, including preloaded on an Axis Product, is licensed under the same conditions as the Software License Tied to Hardware set out in the End User License Agreement section 3.2.3. The Use Term under this model is perpetual but tied to the Axis Product on which it is originally installed. If such Axis Product is replaced by Axis as a result of an approved Return Material Authorization process, the license may be transferred to the replacement Axis Product.

3. THIRD-PARTY SOFTWARE

Axis ACAP Applications include Third-Party Software and Open Source Software. The applicable Third-Party License Terms and Open Source License Terms are available through the Software.
