

AXIS M3064-V Network Camera

HDTV 720p fixed mini dome

AXIS M3064-V features day/night functionality and WDR for sharp video even when there's both dark and light areas in the scene. This ultra-compact mini dome comes factory-focused and can easily be leveled and directed in any direction. It supports intelligent analytics and thanks to the memory card slot, you can optionally record at the edge. Furthermore, Axis Zipstream with support for H.264 and H.265 reduces bandwidth and storage requirements. The camera is made with 52% recycled plastics and is PVC/BFR/CFR free. And, its impact- and dust-resistant casing simply snaps on without visible screws.

- > HDTV 720p video quality
- > WDR and day/night functionality
- > Zipstream supporting H.264 and H.265
- > Edge storage
- > Environmentally friendly
