About this Document

This document includes instructions for installing the AXIS P33-V Series Pendant Kit. For information about compatible products, go to www.axis.com

Equipment Modifications

This equipment must be installed and used in strict accordance with the instructions given in the user documentation.

Liability

Every care has been taken in the preparation of this document. Please inform your local Axis office of any inaccuracies or omissions. Axis Communications AB cannot be held responsible for any technical or typographical errors and reserves the right to make changes to the product and manuals without prior notice. Axis Communications AB makes no warranty of any kind with regard to the material contained within this document, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Axis Communications AB shall not be liable nor responsible for incidental or consequential damages in connection with the furnishing, performance or use of this material. This product is only to be used for its intended purpose.

Support

Should you require any technical assistance, please contact your Axis reseller. If your questions cannot be answered immediately, your reseller will forward your queries through the appropriate channels to ensure a rapid response. If you are connected to the Internet, you can:

- download user documentation and software updates
- find answers to resolved problems in the FAQ database. Search by product, category, or phrase
- report problems to Axis support staff by logging in to your private support area
- chat with Axis support staff (selected countries only)
- visit Axis Support at www.axis.com/techsup/

où le logo apparaîtra
lorsque l'installation
sera terminée

Adaptateur de suspension
(Vue de profil)

1 1/2 - 11.5 NPSM
Thread depth: min 25 mm (98 in.)

Installation du kit de suspension

1. Installez le montage de votre choix avec les câbles nécessaires conformément aux instructions incluses avec le kit de montage..

2. Fixez l'adaptateur de suspension au support de montage et attachez-le en utilisant une vis de butée.

- Fixez la caméra au châssis de suspension avec les 2 vis M4x8.

- Fixez les câbles nécessaires et suivez les instructions du Guide d'installation de la caméra pour le réglage de l'objectif.

5. Placez le couvercle du dôme et fixez-le en serrant les vis captives.

Installationshandbuch für Hängemontageset

Das Hängemontageset ist für verschiedene Montagehalterungen geeignet. Eine Liste mit den verfügbaren Halterungen finden Sie unter "Zubehör" auf www.axis.com.

Bitte lesen Sie zunächst das Handbuch vollständig durch, bevor Sie mit der Installation beginnen. Weitere Hinweise zur Verwendung der Axis Netzwerk-Kamera finden Sie im Installationshandbuch und im Benutzerhandbuch, die auf unserer Website unter www.axis.com/techsup zur Verfügung stehen.

Installationsschritte

- Überprüfen Sie den Paketinhalt anhand der Liste auf Seite 16.
- Folgen Sie den Installationsanweisungen. Siehe Seite 17.

Wichtig!

Verwenden Sie dieses Produkt unter Beachtung der geltenden rechtlichen Bestimmungen.

Paketinhalt

- 1 Hängemontage-Adapter
- 2 M4x8-Schrauben
- 1 M4x12-Schraube

2 M4x8-Schrauben

Hängemontage-Adapter
(Unterseite)

LOGOTYPE-Pfeil zeigt auf die Stelle, an der das AXIS-LOGO nach der Montage sichtbar ist.

Hängemontage-Adapter
(Seitenansicht)

1 1/2 - 11.5 NPSM
Thread depth: min 25 mm (98 in.)

Hängemontageset installieren

1. Montieren Sie die gewünschte Halterung mit den durchgezogenen Kabeln gemäß den im Lieferumfang des Montagesatzes enthaltenen Anweisungen.

2. Bringen Sie den Hängemontage-Adapter an der Halterung an und sichern Sie ihn mit einer Arretierschraube.

3. Befestigen Sie die Kamera mit zwei M4x8-Schrauben am Hängemontagegehäuse.

4. Schließen Sie die erforderlichen Kabel an und stellen Sie das Objektiv gemäß den Anweisungen im Installationshandbuch Ihrer Kamera ein.

5. Befestigen Sie die Kuppelabdeckung mit den unverlierbaren Schrauben.

Guida all'installazione del pendant kit

Il kit può essere utilizzato con qualsiasi accessorio di montaggio desiderato. Per un elenco degli accessori di montaggio disponibili, consultare la sezione relativa agli accessori del sito web www.axis.com.

Leggere tutta la guida prima di procedere con l'installazione. Per altre informazioni relative all'utilizzo delle telecamere di rete di Axis, vedere la Guida all'installazione e la Guida per l'utente disponibili sul sito web www.axis.com/techsup.

Procedura di installazione

- Controllare il contenuto della confezione utilizzando l'elenco riportato a Pagina 22.
- Istruzioni per l'installazione. Vedere la Pagina 23.

Importante!

Questo prodotto deve essere utilizzato in conformità alle leggi e alle regolamentazioni locali.

Contenuto della confezione

- 1 adattatore per soffitti
- 2 viti M4x8
- 1 vite M4x12

2 viti M4x8

Adattatore per soffitti
(lato inferiore)

La freccia con logo indica il punto in cui deve essere visibile al termine dell'installazione

Adattatore per soffitti
(vista laterale)

1 1/2 - 11.5 NPSM
Thread depth: min 25 mm (98 in.)

Installazione del kit per il montaggio su soffitti mobili

1. Installare l'accessorio di montaggio desiderato dopo avervi infilato i cavi in conformità alle istruzioni fornite con il kit di montaggio.

2. Fissare l'adattatore per soffitti mobili all'accessorio di montaggio e bloccarlo in posizione mediante una vite di blocco.

3. Fissare la telecamera allo chassis del soffitto utilizzando 2 viti M4x8.

4. Fissare i cavi necessari e seguire le istruzioni riportate nella Guida all'installazione della telecamera per regolare l'obiettivo.

5. Montare la copertura della cupola e fissarla in posizione serrando le viti prigioniere.

Guía de instalación del kit de soporte colgante

El kit está diseñado para instalarse con el montaje de su elección. Para consultar una lista de los montajes disponibles, vaya a Accesorios, en www.axis.com.

Lea detenidamente toda la guía antes de iniciar la instalación. Para cualquier otra cuestión relativa al uso de la cámara de red Axis, consulte la Guía de instalación y el Manual del usuario, disponibles en www.axis.com/techsup.

Pasos para la instalación

- Verifique el contenido del paquete con la lista de la página 28.
- Instrucciones de instalación. Consulte la página 29.

¡Importante!

Este producto debe utilizarse de conformidad con la legislación y normativas locales.

Contenido del paquete

- 1 Adaptador colgante
- 2 tornillos M4x8
- 1 tornillo M4x12

2 tornillos M4x8

Adaptador colgante
(vista inferior)

Adaptador colgante
(vista lateral)

1 1/2 - 11.5 NPSM
Thread depth: min 25 mm (98 in.)

Instalación del kit de soporte colgante

1. Instale el montaje que haya elegido con los cables necesarios insertados de acuerdo con las instrucciones incluidas con el kit de montaje.

2. Inserte el adaptador colgante en el montaje y fíjelo mediante el tornillo de retención.

3. Fije la cámara al chasis colgante mediante los dos tornillos M4x8.

4. Conecte los cables necesarios y siga las instrucciones que se incluyen en la Guía de instalación de la cámara para ajustar el objetivo.

5. Coloque la cubierta del domo y fíjela apretando los tornillos cautivos.
