2 SCOPE

- 2.1 **General.** Customer’s access to and use of the Axis Technology is subject to the terms of this Agreement. The Agreement covers both the use of Cloud Services and licensing of Software for on-premises installation.

- 2.2 **Product Specific Terms.** In addition to the provisions set forth in this document, Product Specific Terms may apply to the Axis Technology. The Product Specific Terms typically appear when You download, install, activate, access or use certain Axis Technology for the first time. The applicable Product Specific Terms may also be provided to You upon Your request in writing.

- 2.3 **Axis Partners.** If You are an Axis Partner, this Agreement applies to You with regard to any handling or use of the Axis Technology. If You distribute, sell, or transfer the Axis Technology to any customer or otherwise allow a customer to use the Axis Technology, You are responsible in relation to Axis for ensuring that the customer accepts and is bound by the terms and conditions in this Agreement.

3 USING AXIS TECHNOLOGY

- 3.1 **License and Right to Use.** Subject to the terms and conditions set out in this Agreement, and Your compliance therewith, Axis grants You a world-wide, non-exclusive, non-transferable, non-sublicensable, revocable, limited right during the Use Term to (a) download, install and use the Software with Axis Products only; and (b) access and use the Cloud Services with Axis Products only, provided that any use of the Axis Technology are for Your internal business purposes and in accordance with the Documentation and this Agreement. Each license gives You the right to use the Axis Technology with one (1) Axis Product and, with the exception of the Growth Allowance, Your use of the Axis Technology is limited to the number of licenses which You have purchased.

- 3.2 **Subscription and License Types.** The Axis Technology is licensed under one of the license types described below. All licenses are purchased through Axis Partners and the Axis Partner that You have purchased the license from is responsible for issuing the license key to You. Your order, license key and/or the Product Specific Terms will indicate what type of license that is applicable to the relevant Axis Technology that You have purchased.

3.2.1 Annual Subscription License.

- a) The Annual Subscription License gives You the right to use the Axis Technology during the Subscription Period. The “**Subscription Period**” is the twelve-month period starting on the Activation Date or any subsequent twelve-month renewal period. The license key which is issued and provided to You by Your Axis Partner must be redeemed in the AXIS License Manager within thirty (30) days from the Activation Date. If the license key is not redeemed within said period, then the Usage Rights will automatically terminate. On or before each anniversary of the

Activation Date, You must renew the licenses if You wish to continue using the Axis Technology for another Subscription Period.

- b) The Annual Subscription License model includes a Growth Allowance. During a Subscription Period, the Customer may use the Growth Allowance to increase the number of Axis Products using the Axis Technology without paying for additional licenses during that Subscription Period. On each anniversary of the Activation Date (“**Renewal Date**”) the previous year’s Entitlement and the accumulated annual growth will form the basis for calculating the number of licenses required if the Customer wishes to continue the use of the Axis Technology with the same number of Axis Products for the following Subscription Period. The relevant Axis Technology and the AXIS License Manager will automatically calculate and determine the number of licenses required for renewal. If the Customer chooses not to renew all or part of the licenses, the Customer will not be charged for exceeding the Entitlement within the scope of the Growth Allowance during a Subscription Period. For the avoidance of doubt, if the Customer exceeds the Growth Allowance during a Subscription Period, the Customer must purchase the corresponding number of licenses in order not to be in breach of this Agreement.
- c) Any additional licenses to Axis Technology purchased during a Subscription Period shall be pro-rated to be coterminous with the expiry period of the Axis Technology purchased on the Activation Date or Renewal Date (as applicable).

3.2.2 *One-time Software License.*

This model applies to most Software to be installed on-prem. The Use Term under this model is perpetual.

3.2.3 *Software License Tied to Hardware.*

This model applies to certain Software which are preloaded and preconfigured on Axis Products. The Use Term under this model is perpetual but tied to the Axis Product on which it was originally installed.

3.3 **Additional Rights for Axis Partners.** In addition to the rights granted in Section 3.1 and subject to the terms and conditions of this Agreement and Your compliance therewith, Axis grants the Axis Partner a non-exclusive, non-transferable, non-sublicensable, limited right to (a) market and demonstrate the Axis Technology to customers, (b) install and use the Axis Technology for demonstration purposes only; and (c) distribute and sell the Axis Technology to customers provided that You ensure the customer’s acceptance of this Agreement.

You are liable for any breach of this Agreement by Users and other third parties.

3.5 **Beta and Trial Use.** If Axis grants You Usage Rights in the applicable Axis Technology on a trial, evaluation, pre-view, beta or other free-of-charge basis (“**Evaluation Software and Services**”), You may only use the Evaluation Software and Services on a temporary basis for the period limited by the license key or specified by Axis in writing. If there is

no period identified, such use is limited to 30 days after the Evaluation Software and Services are made available to You. If You fail to stop using and/or return the Evaluation Software and Services by the end of the trial period, You may be invoiced for its list price and agree to pay such invoice. Axis, in its discretion, may stop providing the Evaluation Software and Services at any time, at which point You will no longer have access to any related data, information, and files and must immediately cease using the Axis Technology. The Evaluation Software and Services may not have been subject to Axis' usual testing and quality assurance processes and may contain bugs, errors, or other issues. Axis provides Evaluation Software and Services "AS-IS" without support or any express or implied warranty or indemnity for any problems or issues, and Axis will not have any liability relating to Your use of the Evaluation Software and Services.

3.6 **Support, etc.**

3.6.1 Unless otherwise set out in the applicable Product Specific Terms, this Agreement does not entitle You to receive any support, updates, upgrades, maintenance, service levels, patches, bug fixes, or corrections of the Axis Technology.

Some Patches may be provided automatically without any actions required by You and You hereby consent to any such automatic Patches provided by Axis. Axis is not responsible for functionality, performance or security issues encountered with the Axis Technology that result from Your failure to accept the application of Patches that are necessary for the proper function, performance and security of the Axis Technology.

3.6.3 All Patches and any other updates or upgrades provided by Axis under applicable Product Specific Terms shall be deemed part of the Axis Technology and be subject to the terms and conditions of this Agreement.

Axis agrees not to settle any matter without the Customer's prior written consent (which shall not be unreasonably withheld or delayed) if such settlement contains an admission of liability or fault attributable to the Customer. Axis will have no obligation to reimburse You for attorney fees and costs incurred prior to Axis' receipt of notification of the Infringement Claim. The Customer, at its own expense, may retain its own legal representation.
- 12.7 In the event of an Infringement Claim, or if an Infringement Claim is likely, Axis may, at its option: (a) obtain for You the right to continue to use the Axis Technology; (b) replace or modify the Axis Technology so it becomes non infringing; or (c) if we determine that the alternatives described in items (a) and (b) are not reasonably practicable, Axis may terminate Your Usage Rights granted under this Agreement upon written notice to You. You may also terminate the Agreement pursuant to Section 17.3 below.
- 12.8 Axis has no liability or obligations with respect to any Infringement Claim arising from or based upon: (a) compliance with any designs, specifications, or requirements You provide or a third party provides on Your behalf; (b) any modification or alteration of the Axis Technology, except by or as authorized by Axis in writing; (c) the combination, operation, or use of Axis Technology with non-Axis products, software or services not expressly authorized in the applicable Documentation; (d) any unauthorized use of the Axis Technology, including any use of the Axis Technology for a purpose or in a manner for which the Axis Technology was not designed or intended or in breach of the terms of this Agreement; (v) Your failure to modify, update or replace Axis Technology as required by Axis; or (vi) any Evaluation Software and Services. SECTION 12.6 THROUG 12.8 SETS OUT AXIS' ENTIRE LIABILITY AND YOUR SOLE REMEDY WITH RESPECT TO ANY CLAIMS CONCERNING INFRINGEMENT OR MISAPPROPRIATION OF THIRD PARTY INTELLECTUAL PROPERTY RIGHTS.
- 12.9 **Indemnification by You.** You shall defend, indemnify, and hold the Axis Parties harmless from and against any and all damages and costs (including reasonable attorney's fees and legal costs) incurred or sustained by an Axis Party as a result of a claim, suit or proceeding brought against an Axis Party arising out of or relating to (a) Your (or Your

Users') violation of this Agreement or any applicable law or regulation; or (b) the Customer Data or Axis' processing or use thereof in accordance with this Agreement, including any infringement of third party intellectual property rights; or (c) Your (or Your Users') access to, utilization of, or alleged use of the Axis Technology, including any integrations, modifications, customizations, adaptations or other developments by or on behalf of You or the use of the Axis Technology in combination with any other products, software, services or solutions not expressly authorized by Axis; or (d) Your (or Your Users') gross negligence or willful misconduct; or (e) any dispute or issue between You and any third party. Axis shall have a right but not an obligation to undertake the sole control of the defense and settlement of any claim for which Axis can claim indemnity pursuant to this section. You undertake to (i) to give Axis all the information, authority and assistance Axis reasonably needs to defend against or settle the claim; and (ii) to cooperate with Axis at Your expense, in response to a request for assistance. For the avoidance of doubt, You shall have no liability under this Section 12.9 if the Claim is covered by Axis' obligation to indemnify You under Section 12.6.

13 LIMITATION OF LIABILITY

- 13.1 **Exclusion of Incidental and Consequential Damages.** SUBJECT TO SECTION 13.5, UNDER NO CIRCUMSTANCES WILL THE EITHER PARTY BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, EXEMPLARY, CONSEQUENTIAL OR PUNITIVE DAMAGES OF ANY KIND OR NATURE WHATSOEVER, INCLUDING LOSS OF GOODWILL, LOSS OF BUSINESS, LOST PROFITS OR OTHER ECONOMIC DAMAGE, LOSS OR CORRUPTION OF DATA OR SOFTWARE, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION OR IMPAIRMENT OF OTHER GOODS, ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT OR ITS SUBJECT MATTER, INCLUDING THE SALE, PURCHASE, DELIVERY, USE OR OTHER DISPOSITION OF THE AXIS TECHNOLOGY. THIS LIMITATION OF LIABILITY APPLIES REGARDLESS OF WHETHER THE SUCH PARTY HAS BEEN ADVISED OF OR HAD OTHER REASON TO KNOW THE POSSIBILITY OF SUCH DAMAGE, OR IF SUCH DAMAGE COULD HAVE BEEN REASONABLY FORESEEN.
- 13.2 **Maximum Aggregate Liability.** SUBJECT TO SECTION 13.5, UNDER NO CIRCUMSTANCES WILL THE COLLECTIVE AGGREGATE LIABILITY OF THE AXIS PARTIES ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT OR ITS SUBJECT MATTER, INCLUDING THE SALE, PURCHASE, DELIVERY, USE OR OTHER DISPOSITION OF THE AXIS TECHNOLOGY EXCEED (a) THE TOTAL AMOUNT PAID IN THE 12 MONTHS PRIOR TO THE EVENT(S) OR CIRCUMSTANCES GIVING RISE TO CLAIM FOR THE AXIS TECHNOLOGY THAT IS THE SUBJECT OF THE CLAIM, OR (b) WITH RESPECT TO SOFTWARE WHICH IS LICENSED ON A PERPETUAL BASIS, THE FEES PAID FOR THE RELEVANT SOFTWARE. IN NO EVENT WILL THE AXIS PARTIES BE LIABLE FOR THE COSTS OF PROCUREMENT OF SUBSTITUTE SOFTWARE, DOCUMENTATION OR SERVICES.
- 13.3 THE LIMITATIONS OF LIABILITY SET FORTH IN SECTION 13.1 AND 13.2 SHALL APPLY NOTWITHSTANDING ANYTHING TO THE CONTRARY HEREIN AND WITH RESPECT TO ANY AND ALL CLAIMS UNDER ANY LEGAL OR EQUITABLE THEORY, WHETHER BASED ON BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE.
- 13.4 **Intentional Risk Allocation.** EACH PROVISION OF THIS AGREEMENT THAT PROVIDES FOR A LIMITATION OF LIABILITY, DISCLAIMER OF WARRANTIES, OR EXCLUSION OF

DAMAGES IS INTENDED TO AND DOES ALLOCATE THE RISKS (BOTH KNOWN AND UNKNOWN) BETWEEN THE PARTIES UNDER THIS AGREEMENT. THIS ALLOCATION IS AN ESSENTIAL ELEMENT OF THE BASIS OF THE BARGAIN BETWEEN THE PARTIES. EACH OF THESE PROVISIONS IS SEVERABLE AND INDEPENDENT OF ALL OTHER PROVISIONS OF THIS AGREEMENT. THE LIMITATIONS IN THIS SECTION 13 WILL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW EVEN IF ANY LIMITED REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

- 13.5 THE LIMITATIONS OF LIABILITY SET FORTH IN THIS SECTION 13 SHALL NOT APPLY TO (a) BREACHES OF SECTION 3, 4, 6, 10, 11.1, 12.9, 15 AND 16, AND (b) DAMAGES CAUSED BY WILLFUL MISCONDUCT OR GROSS NEGLIGENCE, PERSONAL INJURY OR DEATH.

14 PRIVACY

Axis' Privacy Notice and Privacy Policy, as available on Axis' website <https://www.axis.com/privacy> and as amended from time to time, apply to such data. The Personal Data provided hereunder will only be processed to the extent required for the proper fulfilment of this Agreement.

- 14.2 Except as set out in any Product Specific Terms, the use of the Axis Technology does not entail any transmission, sharing or processing of any Personal Data where Axis would act as a processor of Personal Data for which You are controller. You shall not register, transmit or share any Personal Data without Axis' prior written approval and subject to a written data processing agreement executed between the parties. If and to the extent the relevant Axis Technology entails any transmission, sharing or processing of any Personal Data, as described in the Product Specific Terms, such transmission, sharing or processing of Personal Data will be subject to the terms and conditions of the relevant and applicable Product Specific Terms and data processing agreement appended thereto.

15 CONFIDENTIALITY

Recipient will hold in confidence and use no less than reasonable care to avoid disclosure of any Confidential Information to any third party, except for its employees, Affiliates, and contractors who have a need to know ("**Permitted Recipients**"). The Recipient may only use the Confidential Information of the Discloser for the purposes of fulfilling its obligations and exercising its rights under this Agreement. Recipient: (a) must ensure that its Permitted Recipients are subject to written confidentiality obligations no less restrictive than the Recipient's obligations under this Agreement,

These nondisclosure obligations will not apply to information that: (i) is known by Recipient without confidentiality obligations; (ii) is or has become public knowledge through no fault of Recipient; or (iii) is independently developed by Recipient. Recipient may disclose Discloser's Confidential Information if required under a regulation, law or court order provided that Recipient provides prior notice to Discloser (to the extent legally permissible) and reasonably cooperates, at Discloser's expense, regarding protective actions pursued by Discloser. Upon the reasonable request of Discloser, Recipient will either return, delete or destroy all Confidential Information of Discloser and certify the same. This Section 15 shall survive and continue to apply for three (3) years following any termination or expiration of this Agreement.

Under these laws, the Axis Technology may not be sold, leased, made available or transferred to embargoed countries, other restricted countries, restricted end-users or for restricted end-uses. Customer may not use the Cloud Service to transmit or host data controlled for export under Export Control Laws without prior written consent from Axis. You specifically agree that the Axis Technology will not be used for activities related to weapons of mass destruction, including activities related to the design, development, production or use of nuclear materials, nuclear facilities or nuclear weapons, missiles or support of missile project, or chemical or biological weapons. You understand that certain functionality of the Axis Technology, such as encryption or authentication, may be subject to import or export restrictions in the event that you transfer or make available the Axis Technology from the country of delivery and You are responsible for complying with applicable restrictions.

17 TERM AND TERMINATION

17.1 **Term.** This Agreement is effective for the duration of the Use Term (after which it will automatically expire) if not terminated earlier pursuant to the terms of this Agreement.

17.2 **Termination for Convenience.** You may terminate this Agreement at any time by providing sixty (60) days written notice to Axis (which termination, for the avoidance of doubt, shall not affect Your obligations in relation to the Axis Partner from which You procured the Axis Technology).

17.3 **Termination for Breach.** Each party shall have the right to terminate this Agreement with immediate effect if the other party should violate any of the terms and conditions of this Agreement and should fail to remedy such violation (if reasonably capable of remedy) within thirty (30) calendar days after receipt of written notice from the complaining party. Axis shall have the right to terminate this Agreement at any time with immediate effect if You are in breach of Section 3, 6, 11 or 16. Upon Axis' termination of this Agreement for Your material breach, You will, in addition to any other rights or remedies available to Axis, pay any unpaid fees through to the end of the then-current Use Term.

- 17.4 **Termination for Insolvency.** Each party has the right to terminate this Agreement at any time with immediate effect if the other party should become the subject of proceedings under any bankruptcy or insolvency law, enter into composition with its creditors, apply for financial re-organization, enter into liquidation, suspend payments to creditors or is, or can reasonably be deemed to be, insolvent.
- 17.5 **Effects of Termination.** In the event of termination of this Agreement, all Usage Rights will automatically terminate and You shall immediately cease all use of the Axis Technology, and destroy all copies, full or partial, of the Software and Documentation. Following termination of the Cloud Services, Axis shall have no obligation to maintain or provide any Customer Data and shall, unless legally prohibited, delete all Customer Data in its systems or otherwise in its possession or under its control.
- 17.6 **Survival.** It is expressly understood and agreed that the parties' respective rights and obligations that by their nature continue beyond the termination or expiration of this Agreement, as well as any provisions that by their express terms or by implication are to be performed after termination or expiration of this Agreement or that are prospective in nature, including the provisions set forth in 4.2, 4.3, 9, 11, 12.5, 12.9, 13, 15 through 20 shall survive any expiration or termination of this Agreement.

19 MISCELLANEOUS

- 19.1 **Construction and Order of Precedence.** For purposes of this Agreement (a) "or" has the inclusive meaning frequently identified with the phrase "and/or," (b) "including" has the inclusive meaning frequently identified with the phrase "including but not limited to" or "including without limitation," and (c) words denoting the singular have a comparable meaning when used in the plural, and vice-versa. The parties agree that this Agreement shall be fairly interpreted in accordance with its terms without any strict construction in favor of or against either party and that ambiguities shall not be interpreted against the drafting party. In the event of any conflicts or inconsistencies, the following order of precedence shall apply, but only with respect to the specific subject matter of each: (a) any Product Specific Terms; (b) this End User License Agreement; (c) the Purchase Order. For the avoidance of doubt, where an Order Form includes additional and more specific terms and conditions with respect to a concept addressed generally in other parts of the Agreement or, no conflict shall be deemed to exist.
- 19.2 **Relationship Between the Parties.** You understand and agree that by accepting this Agreement and using the Axis Technology, no legal partnership or agency relationship is created between You and Axis. You and Axis are independent contractors, and nothing

in this Agreement shall be construed to (a) give either You or Axis the power to direct and control the day-to-day activities of the other, (b) constitute a joint venture, co-ownership or employment relationship, or (c) authorize either You or Axis to create or assume any obligation on behalf of the other for any purpose whatsoever.

19.3 **Consumers.** Axis acknowledges that the laws of certain jurisdictions provide legal rights to consumers (someone who uses the Axis Technology outside of his or her trade, business or profession) that may not be overridden by contract or waived by those consumers. If You are such a consumer, nothing in this Agreement limits any of those consumer rights.

19.4 **Assignment.** You may not assign Your rights or obligations hereunder without Axis' prior written consent except to an entity which acquires or succeeds to all or substantially all of Your business or assets, whether by merger, sale of assets, or otherwise, and which assumes and agrees in writing to be bound by all of Your obligations hereunder.

Axis may assign the provision of the Axis Technology or any of its rights and obligations hereof, partly or in total, at any time.

19.5 **Entire Agreement; Amendments.** This Agreement constitute the entire agreement between You and Axis, and supersedes any other prior or contemporaneous agreements, terms and conditions, written or oral concerning its subject matter. Any terms and conditions appearing on a purchase order or similar document issued by You in relation to its purchase or use of the Axis Technology do not apply, do not override or form a part of this Agreement, and are void.

We reserve the right to make changes to this Agreement at any time by posting a revised version of it on our website. The revised Agreement will become effective and apply to You from the date of its publication on the website.

19.6 **No Waiver.** A party's failure or delay to enforce a provision under this Agreement is not a waiver of its rights to do so later.

19.7 **Verification.** During the Use Term and for a period of 12 months after its expiry or termination, You will take reasonable steps to maintain complete and accurate records of Your use of the Axis Technology sufficient to verify compliance with this Agreement ("**Verification Records**"). Upon reasonable advance notice, and no more than once per 12-month period, You will, within 10 days from Axis' notice, allow Axis and its auditors access to the Verification Records and any applicable books, systems, equipment, and accounts during Your normal business hours. If You are not in material compliance with the terms of this Agreement, then notwithstanding any rights or remedies available to Axis in respect of such non-compliance, You shall reimburse Axis for the expenses incurred by Axis in conducting the audit.

19.8 **Publicity.** Except as explicitly permitted or required, by this Agreement, You may not use Axis' trade names, trademarks, logos, domain names or other distinctive brand features. You will not make any statement regarding Your use of the Axis Technology which suggests partnership with, sponsorship by, or endorsement by Axis without Axis' prior written approval.

19.9 **Sub-contractors.** Axis may delegate, subcontract or assign the performance of its obligations under this Agreement, to an Affiliate or a sub-contractor. However, Axis shall

at all times and under all circumstances be responsible under this Agreement for any and all acts and omissions of such Affiliates or sub-contractors and Axis thus assumes full responsibility for its Affiliates or sub-contractors.

19.10 **Severability.** If at any time any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under any law or regulation of any jurisdiction, the legality, validity or enforceability of the other provisions will not in any way be affected or impaired thereby and the invalid or unenforceable provision will be replaced with a provision that is valid and enforceable and that comes closest to its intention.

19.11 **Notices.** Any notice delivered by Axis to You under this Agreement will be delivered via email, regular mail or postings on axis.com. Notices to Axis should be sent to Axis Communications AB, att: assistant of the CEO, Gränden 1, 223 69 Lund, Sweden unless this Agreement, applicable Product Specific Terms or an order specifically allows other means of notice.

19.12 **Compliance.** Each party will comply with all applicable laws, statues and regulations, including (a) anti-corruption and anti-bribery related laws, statues and regulations, and (b) applicable sanctions, export and import control laws and regulations, such as the US Export Administration Regulations (including prohibited party lists issued by other federal governments), catch-all regulations and all national and international embargoes. Axis may restrict the availability of the Axis Technology in any particular location or modify or discontinue features to comply with applicable laws and regulations.

Any violation of this Section 19.12 by You shall be determined at the reasonable discretion of Axis and serve as the basis for immediate termination of the relationship with You.

19.13 **Force Majeure.** Except for payment obligations, neither party shall be liable for any default or delay in the performance of its obligations under this Agreement if and to the extent that such default or delay arises, directly or indirectly, from causes beyond such party's reasonable control, including, but not limited to, fires, floods, earthquakes, pandemics, acts of God or public enemies, or acts, orders or decrees of governmental authorities, disruption or outage of communications, power or other utility or failure to perform by any supplier or other third party. In the event that the force majeure extends for a period of one (1) month, either party shall be entitled to cancel all or any part of this Agreement without any liability to the other party.

20 GOVERNING LAW AND DISPUTE RESOLUTION

20.1 The substantive laws of Sweden shall govern this Agreement.

20.2 Any dispute, controversy or claim arising out of or in connection with this Agreement, or the breach, termination or invalidity thereof, shall be finally settled by arbitration in accordance with the Arbitration Rules of the Arbitration Institute of the Stockholm Chamber of Commerce. The arbitral tribunal shall be composed of three arbitrators. The seat and place of arbitration shall be Lund, Sweden. The language to be used in the arbitral proceedings shall be English, unless the parties agree otherwise. Nothing in this provision shall prevent the parties from seeking any injunctive or equitable relief by a court of competent jurisdiction. The parties undertake and agree that all arbitral

proceedings will be kept strictly confidential. This confidentiality undertaking shall cover, *inter alia*, all information disclosed in the course of such arbitral proceedings, as well as any decision or award that is made or declared during the proceedings. Notwithstanding the foregoing, a party shall not be prevented from disclosing such information in order to safeguard in the best possible way his rights vis-à-vis the other party in connection with the dispute, or if and to the limited extent obligated to do so pursuant to statute, regulation, a decision by an authority, a stock exchange agreement or similar.
