

Welcome to Axis!

The Thailand office of the world leader in network video.

Thailand office.

Axis Communications, Thailand office, is one of the many offices in Asia Pacific and South Asia Pacific, and also the sales office of Thailand market. It is sited at Pathum Wan, the heart of downtown Bangkok.

Located in South Asia Pacific in Thailand, our Axis Experience Center offers a simulated real-life environment to showcase our smart solution offerings. Comprising a variety of network video solutions for retail, transportation, banking and critical infrastructure segments, they can meet your surveillance and business needs. There are also applications that can satisfy the requirements of other industries like education, industrial plants and more. You can also discover our complete range of network cameras and devices, and see the differences brought by Axis' latest technologies.
