Create a MyAxis account

You will need it to access the trainings.

Access the web page

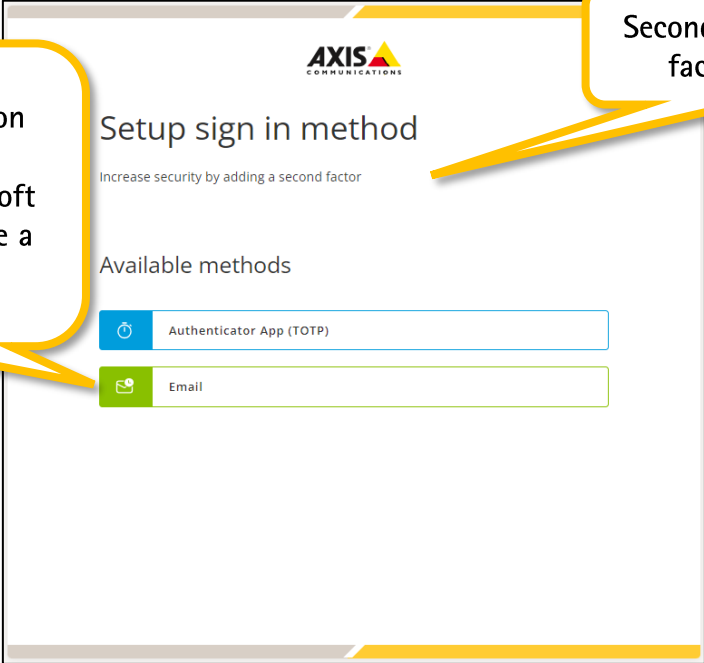

The screenshot shows the 'Create Account' page for Axis Communications. It features a header with the Axis logo and the title 'Create Account'. The form includes input fields for 'FIRST NAME *', 'LAST NAME *', and 'E-MAIL *'. Below these is a 'COUNTRY/REGION *' dropdown menu. A checkbox is present with the text 'I hereby indicate that I am open to participating in market-related surveys, campaigns and other similar activities'. At the bottom of the form are two buttons: 'CREATE ACCOUNT' (highlighted in yellow) and 'BACK TO SIGN IN'. A 'FAQ' link is also visible. The footer shows 'GLOBAL / ENGLISH' with a dropdown arrow. Three callout boxes provide instructions: 'Fill the form.' points to the top of the form; 'Prefer to use your corporate email address.' points to the 'E-MAIL *' field; and 'Click here to finish.' points to the 'CREATE ACCOUNT' button.

Next, you will receive a verification email. In it, by clicking on the 'Confirm Your Email' button, you will be redirected to the next window, where you will set up your password.

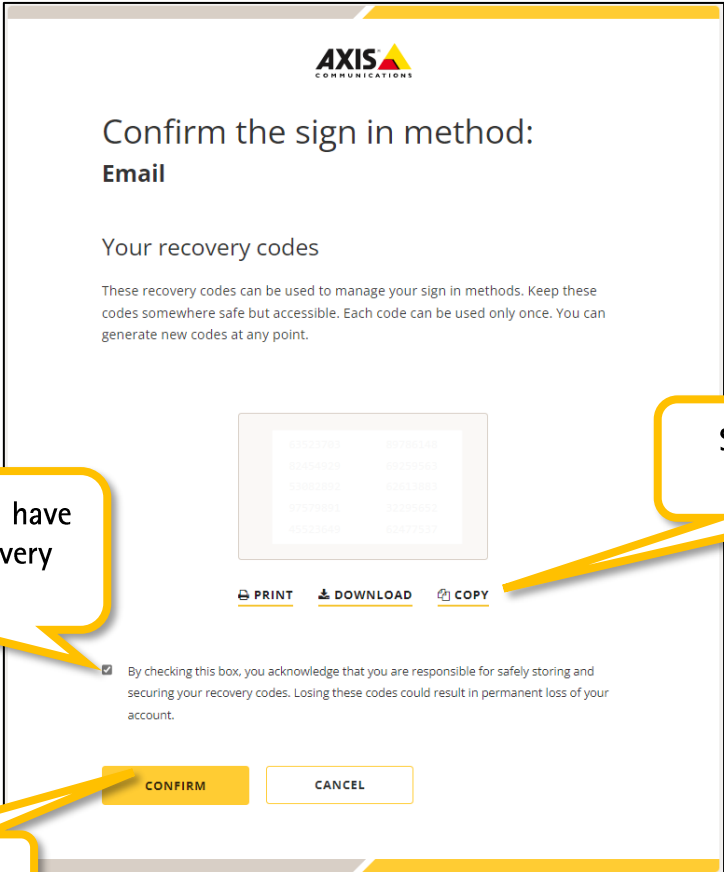

The screenshot shows the 'Activate account' page for Axis Communications. It features a header with the Axis logo and the title 'Activate account'. Below the title is the instruction 'Confirm your account by typing your password'. The form includes two input fields: 'PASSWORD' and 'CONFIRM PASSWORD'. A 'Show password' toggle is located to the right of the 'CONFIRM PASSWORD' field. At the bottom of the form are two buttons: 'ACTIVATE' (highlighted in yellow) and 'BACK TO SIGN IN'. Two callout boxes provide instructions: 'Enter the desired password.' points to the 'PASSWORD' field; and 'Click here to activate.' points to the 'ACTIVATE' button.

Terms & Conditions

You must read and agree to the terms and conditions in order to proceed

TERMS OF SERVICE FOR TRAINING PROGRAMS

IMPORTANT: By downloading, installing, activating, accessing, participating in or otherwise using Axis' online and/or classroom-based training (the "**Services**"), You (meaning the individual or legal entity accessing or using the Services) accept and agree to be bound by these terms of service for training programs (the "**Agreement**"). If You are accepting the Agreement on behalf of a company or other business entity, that entity will be deemed the participant hereunder and You represent and warrant that You have authority to legally bind that entity to the Agreement. If You do not have such authority or You do not agree to the terms of the Agreement, neither You nor the entity is permitted to and may not download, install, access, participate in or use the Services. This Agreement constitutes a legally binding agreement between You and the local Axis entity operating in Your region and responsible for billing You ("**Axis**"). The local Axis entity will process registrations and provide the Services. For the purposes of this Agreement, the local Axis entity is determined based on the billing address provided by You during the registration process.

1. COURSE DESCRIPTION AND SCOPE

Participants may also be subject to additional jurisdiction-specific terms, which will be provided separately by the local Axis entity.

2. ELIGIBILITY AND REGISTRATION

MyAxis account: To access and use the Services, You must have an MyAxis account.

Registration and confirmation: Registration does not guarantee a place on the course.

I agree with the Terms and Conditions of the service (required)

I DON'T AGREE | I AGREE

Read and accept the terms.

Learning portal

Click this button to view all available courses.

Use the filters to refine your search.

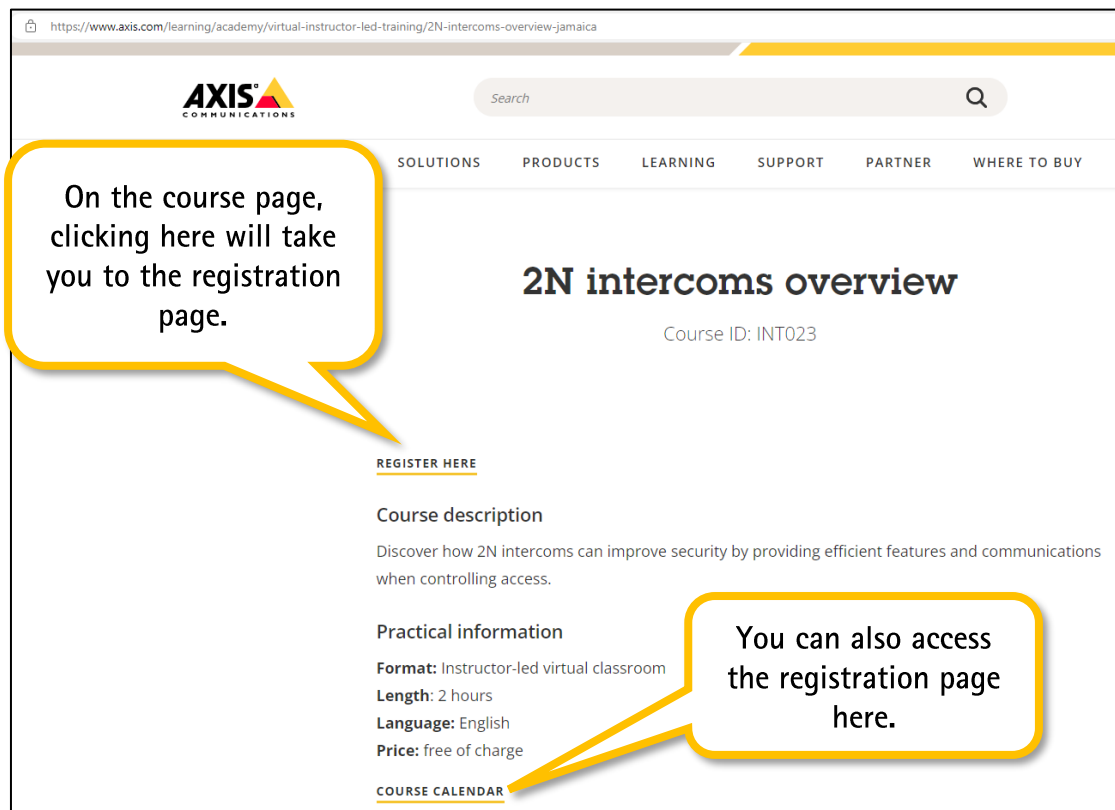

Here you will find all the information about the course.

The screenshot shows the Axis Learning Portal home page. On the left, there are four filter sections: 'Location' with 22 items, 'Language' with 1 item, 'Knowledge area', and 'Learning formats' with 1 item. On the right, there are two course cards. The first card is for '2N intercoms' and includes a 'Read more' link and a 'REGISTER' button. The second card is partially visible and also has a 'REGISTER' button.

On the course page, clicking here will take you to the registration page.

You can also access the registration page here.

The screenshot shows the '2N intercoms overview' course page. At the top, there is the Axis Communications logo and a search bar. Below the logo is a navigation menu with links for SOLUTIONS, PRODUCTS, LEARNING, SUPPORT, PARTNER, and WHERE TO BUY. The main heading is '2N intercoms overview' with the course ID 'INT023'. Below this, there is a 'REGISTER HERE' link. The 'Course description' section states: 'Discover how 2N intercoms can improve security by providing efficient features and communications when controlling access.' The 'Practical information' section lists: 'Format: Instructor-led virtual classroom', 'Length: 2 hours', 'Language: English', and 'Price: free of charge'. At the bottom, there is a 'COURSE CALENDAR' link.

Course registration page

You can reach here through a direct link, the learning portal, or the local training page.

Click the REGISTER button corresponding to the desired session.

You will then receive an email with the instructions for the course. If there is a cost, a link to the page with the payment instructions for your country will be provided.

The screenshot displays a web interface for course registration. At the top, there is a search bar with the text "Search content in the platform". Below this, the course title "ENGLISH" is visible. The main content area is divided into several sections: "Description" (partially visible), "Course objectives" (listing "Design any surveillance system"), "Course sessions" (showing two sessions for 2025-01-06 and 2025-01-11), and "Enrollment options" (with a prominent yellow "ENROLL" button). A "Course details" sidebar on the right shows "Time to complete: Unlimited access" and "Course ID: I-XVDZ21". A "FILTERS" section is also present above the session list.
