- **Discontinuation date**
 - **September 30, 2027**

Discontinuation date is the planned final date that the products can be ordered from Axis.

- **Maintenance offered until**
 - **September 30, 2027**

Axis supports the software product up until 3 years after issued discontinuation date.

Clarification - The original discontinuation notice was issued September 27, 2024.

The final date for maintenance is **September 30, 2027**

During this period Axis may release replacement, maintenance releases or bug fixes to the discontinued product. When the period has elapsed, Axis will no longer develop, maintain, or test the discontinued product. For more information on software support please visit [General Policy Guidelines For Discontinued Products](#)

- **Free upgrade for S Series recorders**
 - **AXIS S12, S11, S21 or S22 Series recorders**

All licenses included with AXIS S Series network video recorders and all additional registered licenses will be converted to licenses tied to the recorder and will be valid for the lifetime of the recorder.

- **Other hardware, free upgrade until**
 - **March 1, 2026**

All licenses installed on other hardware and virtual machines will be converted into 5-year subscription licenses without any additional cost until March 1, 2026.

- **Upgrade license**
 - **After March 1, 2026**

All licenses installed on other hardware and virtual machines will after March 1, 2026 require an upgrade license to be converted into 5-year licenses.

03250-001, ACS 5 to ACS Pro UPG E-LICENSE

Lund, Sweden, Dec 19, 2025
