Axis Communications' Academy

Axis Boot Camp

Take a leap forward in your professional career! Through a combination of classroom lessons, pre-course work, homework assignments and hands-on exercises, this course is designed to provide an understanding of the 5 knowledge areas required to become an Axis Certified Professional. This course will also provide knowledge on how to configure Axis products. On the final day, you will take the Axis Network Video Exam, proctored by Pearson VUE, for a chance to become an Axis Certified Professional.

Learning Objectives:

> Understand the 5 critical knowledge areas on the exam: networking, network video technology, system design, installation, and Axis product knowledge.

> Become an Axis Certified Professional

24 ESA credits / 22 BICSI credits

Length: 4 days

Format: Classroom

Who should attend?
Individuals who need in-depth network video training to become an Axis Certified Professional.

Price: $679

Paid attendees will receive a $150 exam voucher, an AXIS P3225-LVE Network Camera, and 16 AXIS Camera Station licenses!
