GETTING THERE

By Air: Chicago O'Hare International Airport:

The closest international airport is Chicago O'Hare located in Chicago, IL. O'Hare is about 10 minutes away from our office. Our recommendation for travel from the airport to the office is by cab or the CTA Blue Line. More information can be found at www.flychicago.com

By Subway: CTA Blue Line

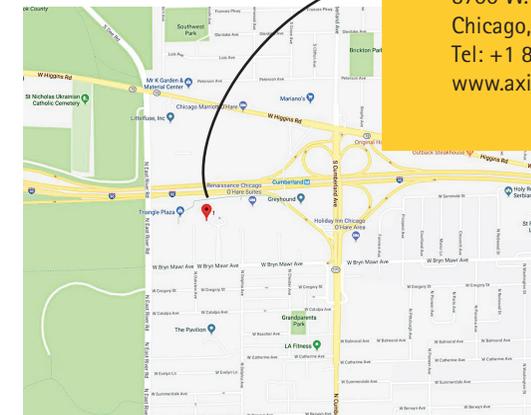

The CTA Blue Line is an efficient and effective way to travel. There is a train stop about 5 minutes walking of our office. This stop is called "Cumberland" and you can get there coming from the airport or downtown Chicago. There are multiple stops along the transit line. Payment is issued via a pre-paid card that can be purchased within the terminal of the varying stations. CTA employees are always on site to assist with questions. More information can be found at www.transitchicago.com/blueline/.

By car:

Our office building is located directly next to the Kennedy Expressway. From the airport, get on I-190E from Exit 2B. Continue I-190 E Drive to W Bryn Mawr Ave. Take exit 79A from I-90E. Turn right onto W Bryn Mawr Ave.

If you are traveling from downtown Chicago, continue to I-290W. Follow I-90W to IL-171 S/S Cumberland Ave. Take exit 79A from I-90W. Turn right onto Bryn Mawr Ave. Once you arrive, find the large parking garage on the left-hand side of the parking lot. You are required to check your vehicle with the security guard at the front desk upon walking into the lobby.

See you there!
