The **forecasted final date** that the discontinued product/s can be purchased from Axis, this is also referred to as the "discontinuation date".  
Please note that an unforeseen increase in demand can cause products to be out of stock before the final order date.  
Any excess stock, after passed last time buy date, will be available for purchase until stock runs out.  
N.B., products purchased *after* the final order date might come with limitations in the HW warranty, please update yourself on the warranty applicable for any purchases *after* the final order date.

- **Hardware and RMA service offered until**
  - **July 23, 2027**

Axis will continue to give hardware and RMA service for 6 years after the final order date.  
As long as the product is within the warranty period and it is not warranty void, the warranty terms for RMA still apply. If the warranty period has expired, the Out of Warranty price list applies.  
Axis RMA service will be based on the discontinued product as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.
