As of issuing this statement, stock replenishment for concerned products will be phased out. No additional feature development will be made for the discontinued product, LTS firmware tracks will still receive security patches

- **Final order date**
 - **April 30th, 2020**

The forecasted **final date** that the discontinued product/s can be purchased from Axis. Please note that an unforeseen increase in demand can cause products to be out of stock before the final order date.

- **End of Support**
 - **April 30th, 2025**

Axis will continue to give support and RMA service for 5 years after the final order date. As long as the product is within the warranty period, the RMA service is for free. If the warranty period has expired, the Out of Warranty price list applies. Axis RMA service will be based on the discontinued product as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.
