

Product Discontinuation Statement

This document outlines Axis products that have been discontinued or will be discontinued, and indicates the relevant replacement products.

The following products are covered by this statement:

- AXIS Q8632-E (30 fps)

Final Order Date

This discontinuation is due to out-of-stock of critical components and we are not able to produce more units. Successor products are under development, planned to be launched during the Q2 2017.

The **Final Date** that the Discontinued Product in the list below can be purchased from Axis is **March 31, 2017**.

Support and RMA Policy

Axis will continue to give world-class support and RMA service for the Discontinued Products until **March 31, 2022**. As long as the product is within the warranty period, the RMA service is for free. If the warranty period has expired, the Out Of Warranty price list applies.

Axis RMA service will be based on the Discontinued Products as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.

No additional feature development will be made for the Discontinued Products, effective **March 31, 2017**.
