

Product Discontinuation Statement

This document outlines Axis products that have been discontinued or will be discontinued, and indicates the relevant replacement products.

The following products are covered by this statement:

- YP3040 PAN-TILT MOTOR

Please note: This is a product number change announcement associated with an update to increase product compatibility with Axis cameras. Customers will experience no change in other functionality.

Final Order Date

The **Final Date** that a Discontinued Product in the list below can be purchased from Axis is **July 13th, 2017**. For new orders, please refer to the new product number shown as the Replacement Product.

Discontinued Products

| Discontinued Product | Replacement Product |
|---------------------------------------------------------|--------------------------------------------|

Support and RMA Policy

Axis will continue to give world-class support and RMA service for the Discontinued Products until **July 13th, 2022**. As long as the product is within the warranty period, the RMA service is for free. If the warranty period has expired, the Out Of Warranty price list applies.

Axis RMA service will be based on the Discontinued Products as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.

No additional feature development will be made for the Discontinued Products, effective **July 13th, 2017**.
