

Product Discontinuation Statement

This document outlines Axis products that have been discontinued or will be discontinued, and indicates the relevant replacement products.

The following products are covered by this statement:

- AXIS T91A52 Extension Pipe 30cm

Final Order Date

The **Final Date** that a Discontinued Product in the list below can be purchased from Axis is **May 27, 2016**. Customers will be given the information of the Product Discontinuation starting **May 27, 2016**.

Please note that a sudden unforeseen increase in demand, the product subject for this statement, is already sold out and no more deliveries will be possible.

Discontinued Core Products

Discontinued Product	Replacement Product

Support and RMA Policy

Axis will continue to give world-class support and RMA service for the Discontinued Product until **May 27, 2021**, which is always 5 years after the final order date. As long as the product is within the warranty period, the RMA service is for free. If the warranty period has expired the Out Of Warranty price list applies.

Axis RMA service will be based on the Discontinued Product as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.

No additional feature development will be made for the Discontinued Product, effective May 27, 2016.
