

## Product Discontinuation Statement

This document outlines Axis products that have been discontinued or will be discontinued, and indicates the relevant replacement products.

The following products are covered by this statement:

- AXIS M3106-L
- AXIS M3106-LVE

### Final Order Date

The reason for this discontinuation is that the products will be upgraded to Mk II versions. Since this regards a Mk II upgrade, a final order date is not applicable. The old models will continue to be sold until they are out of stock, at which time all orders shall be transferred to the new Mk II versions.

### Discontinued Products

Discontinued Product	Replacement Product
AXIS M3106-L [0869-0XX]	AXIS M3106-L MK II [01036-0XX]
AXIS M3106-LVE [0870-0XX]	AXIS M3106-LVE MK II [01037-0XX]

### Support and RMA Policy

Axis will continue to give world-class support and RMA service for the Discontinued Products until **November 30, 2022**. As long as the product is within the warranty period, the RMA service is for free. If the warranty period has expired, the Out Of Warranty price list applies.

Axis RMA service will be based on the Discontinued Products as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.

No additional feature development will be made for the Discontinued Products, effective **September 30, 2017**.

Lund, Sweden, August 25, 2017
