SPR Covert Camera M7001

This item is a spare part to the former AXIS M7001 Covert Surveillance kit that was discontinued during 2013. Since the replacement video encoder, AXIS M7011, does not support this camera, this spare part will be discontinued. Depending on the installation, the replacement products to AXIS M7001 Covert Surveillance kit are, AXIS P1204, AXIS P1214, AXIS P1214-E or AXIS P1224-E. If the spare part SPR Covert Camera M7001 is still needed, please check with the order department for availability.

RMA Policy

Axis will supply customers with the Discontinued Product as the primary alternative. When this is not possible, the replacement product will automatically be the alternative returned where applicable (see above table).

Support Policy

Axis will continue to give world-class support for the Discontinued Products until September 30, 2020, or if the product warranty period extends beyond this, for as long as the product is under warranty. No additional features will be developed for the Discontinued Products, effective September 30, 2015.
