

Product Discontinuation Statement

This document outlines Axis products that have been discontinued or will be discontinued, and indicates the relevant replacement products.

The following products are covered by this statement:

- **AXIS Q6114-E**

Final Order Date

The **Final Date** that a Discontinued Product in the list below can be purchased from Axis is **March 10, 2018**. Customers will be given the information of the product discontinuation starting December 10, 2017. Please note that an unforeseen increase in demand can cause that the products are out of stock before the final order date.

Discontinued Products

| Discontinued Product | Replacement Product |
|-------------------------------------|--------------------------------------|
| AXIS Q6114-E 50Hz [0649-xxx] | AXIS Q6124-E 50Hz [01069-xxx] |
| AXIS Q6114-E 60Hz [0650-xxx] | AXIS Q6124-E 60Hz [01070-xxx] |

The main reason for replacement is EOL of major component in Q6114 and the additions of a hardened dome cover on Q6124-E

Support and RMA Policy

Axis will continue to give world-class support and RMA service for the Discontinued Products until **March 10, 2023**. As long as the product is within the warranty period, the RMA service is for free. If the warranty period has expired, the Out Of Warranty price list applies.

Axis RMA service will be based on the Discontinued Products as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.

No additional feature development will be made for the Discontinued Products, effective **December 10, 2017**

Lund, Sweden, December 8, 2017

Kent Fransson
Global Product Manager, Axis Communications AB
