

# Product Discontinuation Statement

The following products are covered by this statement:

- **AXIS Q6115-E**

## Final Order Date

The **Final Date** that a Discontinued Product in the list below can be purchased from Axis is **August 25th, 2018**. Customers will be given the information of the product discontinuation starting June 25th, 2018. Please note that an unforeseen increase in demand can cause that the products are out of stock before the final order date. Reason for this short lead-time is component shortage.

Axis RMA service will be based on the Discontinued Products as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.

No additional feature development will be made for the Discontinued Products, effective **June 25th, 2018**
