

AXIS 206/207 Vandal-Resistant Housing

Protecting AXIS 206 and AXIS 207 Network Cameras from vandals.

- > Impact-resistant casing
- > Tamper-resistant screws
- > Cast aluminum construction
- > Indoor wall and ceiling mount
- > Easy installation

AXIS 206/207 Vandal-Resistant Housing provides a tamper-resistant solution for indoor security applications using AXIS 206 and AXIS 207 Network Cameras. It is an ideal solution for prisons, institutions, shopping malls, supermarkets, schools and government facilities.

Vandal-resistance is ensured by tamper-resistant screws and cable access ports on the side and top, all-in-all making the housing highly suitable for exposed indoor environments.

With cast aluminum, AXIS 206/207 Vandal-Resistant Housing provides high impact resistance.

AXIS 206/207 Vandal-Resistant Housing is suited for both wall and ceiling mounting.

The surface-mount is designed to make the installation of the housing quick and simple.
