

Ex Wall Mount XF40

Explosion-protected wall mount

Ex Wall Mount XF40 is an electropolished 316L stainless steel wall mount, designed for fixed explosion-protected network cameras. It is easy to install and it features a swivel movement of pan $\pm 90^\circ$ and tilt $\pm 45^\circ$ for easy camera placement. If the camera needs to be pole-mounted, the wall mount can be used together with Ex Pole Mount XF40. The wall mount is ideal for onshore, offshore, marine and heavy industrial applications.
