

Ex Wall Mount XF60

Stainless steel wall mount

Ex Wall Mount XF60 is an electropolished 316L stainless steel wall mount, designed for fixed explosion-protected network cameras, certified per UL. It is easy to install and it features a swivel movement of pan $\pm 90^\circ$ and tilt -60° for easy camera placement. If the camera needs to be pole-mounted, the wall mount can be used together with Ex Pole Mount XF40. The wall mount is ideal for onshore, offshore, marine and heavy industrial applications.
