

# Welcome to our Axis Experience Center- Chicago, IL!

A visit to an Axis Experience Center provides an opportunity to explore our high quality and innovative products in authentic live environments. You will have the possibility to learn about our latest technologies and spend time with our dedicated team to exchange ideas.

You will also gain a better understanding of what it means to do business with Axis Communications and our exclusive partner ecosystem. Collaborating closely with the industry's largest professional network, we create opportunities with video management software, analytics, audio and camera applications. The facility is open to distributors, partners, customers and industry associations to host trainings, meetings, events and product tests.

“The idea behind the AEC’s is about getting closer to our partners and customers, and truly providing them with an experience.”

—Fredrik Nilsson, VP, Americas, Axis Communications, Inc.
